Corgi Jaguar

Corgi Classics have produced this limited edition 1:36 scale model of a vaguely familiar Jaguar XJS along with hand painted Simon Templar figure. They have now ceased production of this item meaning that this is a unique opportunity to buy your own Jaguar XJS. Definitely a collectors item!

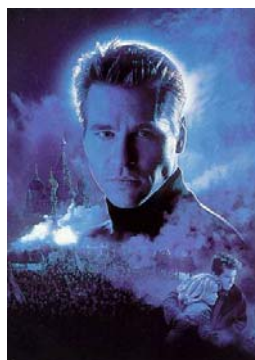

Fridge Magnets

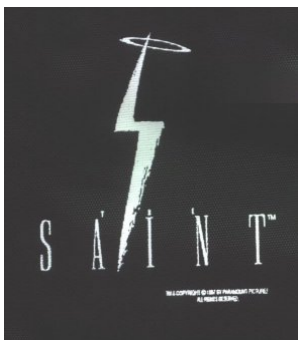

Two designs are currently available, one is the Fayard book cover to the left, which is available on a 90mm x 55mm fridge magnet and the other is a traditional red Saint logo--oh come on, if you've got this far down the page you must know what they look like by now!--on a 75mm x 44mm magnet.

Brighten up your fridge--with the Saint!
